Service Weeks Calendar
2011 - 2012**

Students: The following are the dates you are expected to serve. You are not prevented from serving on the days that are listed as “no service”, i.e. school vacation, etc. Just check with your placement ahead of time as they also have a copy of this schedule and will not be expecting you. Most are delighted to have you serve as they continue to have the need for us.
