Pentucket Middle School
Community Service Program

STUDENT TIME SHEET

Students, please note: It is <u>your</u> responsibility to record the hours that you volunteer for the Community Service Program. For each date of service, you must obtain the signature of the parent volunteer in charge of your group. Time sheets will be collected at the end of the school year. In order to receive recognition for your volunteer efforts, this time sheet must be filled out, signed and returned to the office**.** If you are volunteering at **more than one** placement, you DO NOT need a **separate** time sheet for **each** placement.
